

## Installment Payment Agreement (IPA)

This agreement authorizes GPBR to automatically debit installment dues payments in the amount of \$46.00 per month following an initial payment of \$105.00 (plus a \$100.00 application fee for new members). Both installment payments and initial payment plus application fee (if applicable) will be collected via ACH transfer from the bank account indicated below.

It is the sole responsibility of the individual member to notify GPBR of any changes in bank account information, including the closing of the account for any reason (including identity theft) or any hold on funds by the banking institution, etc., no fewer than five (5) business days ahead of a scheduled monthly payment.

If a payment is declined for any reason, an additional \$35.00 NSF fee will be automatically added to installment payment amount for that month. If account remains unpaid for 30 days, the member's entire office may be suspended from service including MLS.

Your Installment Payment Program (IPP) membership will automatically renew annually. Members wanting to discontinue the installment payment program for any reason must contact GPBR and follow protocol to formally cancel reoccurring payments.

If cancellation is due to termination of membership, one additional payment of \$46.00 will be debited from the account on file at the time of withdrawal from the IPP.

IPP members may choose to pay off the balance of their annual dues, thereby ending participation in the IPP for that membership term, at any time. One final payment in the amount of the balance owed for the membership term will be debited from the checking account on file. Re-enrollment in the IPP for a subsequent membership term will require an initial payment of \$105.00 before automatic monthly payments of \$46.00 will resume.

If you are unable to make your payment on the date payment is due, services (including MLS) will be suspended until payment is made, including any additional fees. GPBR reserves the right to require an alternate payment method when a payment has been declined.

GPBR **will not** be responsible for notifying IPP participants of upcoming installment payments or if a payment has been declined. It is the responsibility of the individual member to verify that funds are approved and paid to GPBR
