Never miss a “Call for Action” by joining the Realtor® Party Mobile Alert Campaign. Be ready to support your industry in a time of need!

Members that text REALTOR to the number 30644 will receive a text message with a link to participate in our NAR and Michigan Calls for Action. Just two clicks and your message will be sent to the appropriate elected officials!

While used sparingly, when a Call for Action does take place, these significantly turn up the volume on key industry issues with our elected officials. Know that 8,600 Realtors® successfully contacted Lansing during a 28-hour period back in April to support lobbying efforts that allowed in-person real estate work to resume!

As a special recognition of those Realtor® members that enroll in the Mobile Alert Campaign, know that you will be entered into a drawing on December 9th, December 16th, and December 23rd. The winner will receive a \$100 gift card to the local small business of your choice!

Let’s support local small businesses in these challenging times! And, let’s be ready to take action at a moment’s notice the next time we need to communicate with Congress or the Michigan Legislature on real estate industry issues!
