

Chamber update from the Chairman of the Board

Good Morning Fellow Chamber Members,

It certainly has been a challenging few weeks without our Catherine at the helm however, we are moving on as we should and as she would want us to. I want to thank our dedicated Board Members and our amazing Ambassadors for stepping up to help to keep things moving forward along with our active membership. I do have some very exciting news to share with all of you as well.

On behalf of the Board of Directors, we are happy to announce that we have hired someone to fill the void and lead the chamber. It's my pleasure to say that Lisa Edwards will be returning to the Anchor Bay Chamber as your President and CEO. For those that aren't familiar with Lisa, she was the driving force of the Chamber for almost 12 years. She has 20 years experience in non-profit management and is passionate about the Anchor Bay Community. We are extremely happy to have Lisa here to continue on with the work of Catherine and our dedicated Board and Ambassadors.

Our membership numbers are steady and growing, we have many educational and networking opportunities planned and we remain Anchor Bay Strong!! Please stay connected via Chamber emails and event information on our Chamber website so you can take advantage of all the benefits available to you and your business.

Thank you all very much and hope to see you soon.

Best Regards,

Randy McCoy
