Janice Broker 123  
Main Street  
Anywhere, USA 00000

Dear Ms. Broker:

On behalf of the Grosse Pointe Board of REALTORS® we would like to thank you for your commitment to Fair Housing and Diversity through your past participation in the GPBR "All In for Diversity" program. We hope this letter finds you and your agents in good health and enjoying a fruitful first quarter. The right to own real property is the foundation of our society, the development and redevelopment of our cities, the preservation of our rural communities, and always included when articulating the American Dream. Your support has been and remains vital as we promote the REALTOR® brand on your behalf regarding fair housing and diversity.

The All In for Diversity program provides you with ongoing recognition for your participation in a variety of projects and programs made available to our members and the communities in which we live, work, and play. In the past, these have included: a Diversity calendar, a "Leading in Diversity®" workshop offered by the NAR, production of a Martin Luther King Jr. historical marker for Grosse Pointe Public Schools, and national recognition for our commitment to Fair Housing & Diversity.

For those reasons noted above, and many more, we are asking you to once again participate in the GPBR "All In For Diversity" program. As a participant and partner again this year, you will be helping to further the ideals that promote home ownership for everyone.

Please review the accompanying information regarding "All In for Diversity 2022." Participation runs through December 31, 2022.

Sincerely,

Chris VanBelle  
2022 President  
Grosse Pointe Board of REALTORS®
