Thank you,

On behalf of the Grosse Pointe Board of REALTORS® we would like to thank you for your commitment to Fair Housing and Diversity. Since the first amendments to our constitution were added in 1789, the right to own private property has been a foundation of our society. Today, the right to own private property remains foundational in the development and redevelopment of our cities, the preservation of our rural communities and an opportunity considered critical when articulating the American Dream.

The All In For Diversity program provides you with ongoing recognition for your participation in a variety of projects and programs made available to our members and the communities in which we live, work, and play. In the past, these have included: a Diversity calendar, a "Leading in Diversity®" workshop offered by the NAR, production of a Martin Luther King Jr. historical marker for Grosse Pointe Public Schools, and national recognition for this commitment to Fair Housing & Diversity.

This year, you joined your colleagues in celebrating the principles of Fair Housing in America and championed the value of Diversity in the ownership of real property. In so doing, you furthered the ideals stated in the National Association of REALTORS® "Fair Housing Declaration."

Accompanying this letter is a copy of the NAR Fair Housing Declaration and a copy of the 2025 Fair Housing Month poster.

Thank you again for your commitment to Fair Housing and Diversity.

Sincerely,

Pat Dery  
2025 President
