COVID-19 UPDATE
macombgov.org

May 11, 2020

Over the past two months, countless first responders and essential workers have put their own health and safety at risk to ensure the well-being of our community. This week, those contributions will be recognized with two special flyovers from the [Blue Angels](#) and the Michigan Air National Guard's [127th Wing](#). I hope you will take a moment to observe these events and join in the salute to the men and women who are on the front lines of the battle with COVID-19. It's a small gesture, but it's a way for us to honor the selfless actions of these brave individuals and to show our appreciation and support.

Thank you, and remember, let's stay home and stay safe to save lives.

Mark A. Hackel
Macomb County Executive
