

Installment Payment Program Broker “Opt-In” Form

I, _____, (Broker/Office Designated REALTOR®) agree to allow those licensed with my company as real estate agents, brokers, or associate brokers to participate in the Grosse Pointe Board of REALTORS® Installment Payment Program (IPP).

By allowing licensees associated with my brokerage to participate in the IPP I acknowledge that a failure of any of those licensees to comply with the guidelines for payment outlined in the accompanying Installment Payment Agreement (IPA):

- will subject the licensee to loss of services including but not limited to MLS, GLR, and RPR until paid.
- will result in my being invoiced the entire balance of all outstanding local, state and national dues (as outlined in the IPA).
- may result (as outlined in the IPA) in the entire office's or company's loss of services including but not limited to MLS, GLR, and RPR if dues remain unpaid after thirty (30) days and satisfactory evidence has not been presented to confirm the agent is no longer associated with my brokerage.
