Good afternoon everyone!

We've just launched a new tool that allows your members to check their training status, choose their preferred Code of Ethics training format (online or in person), and go directly to the training options available to them. Share with your members and encourage them to use this tool for their COE training needs! The Code of Ethics Training Selection tool is available at [nar.realtor/code-of-ethics-training-selection](https://nar.realtor/code-of-ethics-training-selection). It can also be accessed through the COE training page and search results on nar.realtor. We hope this helps! Questions? Please contact our team at [NARPolicyQuestions@nar.realtor](mailto:NARPolicyQuestions@nar.realtor).
