REQUEST

I would like to discontinue my enrollment in GPBR's Installment Payment Program (IPP) now that my final payment for the 2026 membership term has been processed.

By transitioning to annual billing, I understand and acknowledge the following:

- My **2027 renewal payment**, including national, state, and local portions, is due **in full by 5:00 p.m. on January 8, 2027**.
- Late fees and penalties, including **MLS suspension**, will be assessed if my payment is delinquent.
- **Partial payments are not accepted** from members paying dues on an annual basis.

I acknowledge that I have read and understand the terms above and am requesting to discontinue my enrollment in the Installment Payment Program and transition to annual billing for the 2027 dues renewal.
