

Installment Payment Agreement (IPA)

This agreement authorizes GPBR to automatically collect installment dues payments in the amount of \$55.00 per month following an initial payment of \$155.00 (plus a \$120.00 application fee for new members). Both installment payments and initial payment plus application fee (if applicable) will be collected via credit or debit card from the card indicated on page 2 of this document and applied over the course of the billing cycle against the balance of membership dues as invoiced.

It is the sole responsibility of the individual member to notify GPBR of any changes in credit/debit card information, including the canceling of the card for any reason (including identity theft), expiration of card or change of card no fewer than five (5) business days before a scheduled monthly payment.

Installment Payment Program (IPP) enrollment will automatically renew each billing cycle (October through September). Members wanting to discontinue the installment payment program for any reason must contact GPBR and follow protocol to formally cancel reoccurring payments. If cancellation is due to termination of membership, one additional monthly payment will be charged to the credit/debit card on file at the time of withdrawal from the IPP.

IPP enrollees may choose to pay off the balance of their dues invoice at any time, thereby ending participation in the IPP for that billing cycle. One final payment in the amount of the balance owed for the membership term will be charged to the credit/debit card on file. Re-enrollment in the IPP for a subsequent billing cycle will require an initial

payment of \$155.00 before automatic monthly payments of \$55.00 will resume.

If payment does not successfully process at the time of routine installment collection, services (including MLS) will be suspended until payment is made, including any additional fees. GPBR reserves the right to require an alternate payment method when a payment has been declined.

If a payment is declined for any reason, an additional \$30.00 fee will be assessed and added to the installment payment amount for that month. If three (3) monthly installments are declined during an IPP dues billing cycle (October through September), IPP enrollment will be forfeited for the remainder of that cycle, requiring payment in full of all outstanding dues as invoiced and any additional assessed fees, otherwise, membership will be terminated.

GPBR **is not** responsible for notifying IPP participants of upcoming installment payments or if a payment has been declined. It is the responsibility of the individual member to verify that funds are available, approved and paid to GPBR.

Should the Grosse Pointe Board of REALTORS®, Michigan REALTORS®, and/or the National Association of REALTORS® increase their dues rates, this agreement authorizes GPBR to increase the automatic monthly installment payment accordingly, without additional consent.
